RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On June 23, 2020, Camille Jefferson (“petitioner”) filed a petition for compensation (“Petition”) under the National Childhood Vaccine Injury Act of 1986, as amended (“Vaccine Act” or “Act”). *See* 42 U.S.C. §§ 300aa-1 *et seq.* Petitioner alleged that she suffered a Shoulder Injury Related to Vaccine Administration (“SIRVA”) as a result of an influenza (“Flu”) vaccine administered in her right shoulder on October 14, 2017. Petition at 1. On December 3, 2021, the Secretary of Health and Human Services (“respondent”) filed a Rule 4(c) Report indicating that this case is appropriate for compensation under the terms of the Act for a SIRVA Table injury, and on December 6, 2021, the Chief Special Master issued a Ruling on Entitlement finding petitioner entitled to compensation. ECF No. 38; ECF No. 39.

I. Items of Compensation

A. Pain and Suffering

Respondent proffers that petitioner should be awarded a lump sum of \$110,000.00 for pain and suffering. Petitioner agrees.

B. Past Unreimbursable Expenses

Evidence supplied by petitioner documents that she incurred past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$3,044.33. Petitioner agrees.

C. Medicaid Lien

Respondent proffers that petitioner should be awarded funds to satisfy the Peach State Health Plan lien in the amount of \$1,255.06, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the Peach State Health Plan may have against any individual as a result of any Medicaid payment the Peach State Health Plan has made to or on behalf of petitioner from the date of his eligibility for benefits through the date of judgment in this case as a result of her alleged vaccine-related injury suffered on or about October 14, 2017, under Title XIX of the Social Security Act.

These amounts represent all elements of compensation to which petitioner is entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that the compensation provided to petitioner should be made through two lump sum payments as described below and requests that the Chief Special Master's decision and the Court's judgment award the following¹:

- A. A lump sum payment of **\$113,044.33**, in the form of a check payable to petitioner; and

¹ Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future pain and suffering.

- B. A lump sum payment of **\$1,255.06**, representing compensation for satisfaction of the Peach State Health Plan lien, in the form of a check payable jointly to petitioner and the “The Rawlings Company”, and mailed to:

The Rawlings Company
ATTN: Ben Sweeney
Reference No: 102580635
